Gift Poems

Poem 1

We've been together for a while,
and have a lovely home.
There are not too many things,
that we don't already own.

So please don't be offended,
and please don't think we're brash.
But if thoughts were on a present,
we would much prefer the cash.

But the choice is really up to you,
and we would like to say,
That the best gift we could receive,
is you, here, on our special day.

Poem 2

For a couple of years we've lived in sin,
we have a toaster, a kettle and a stainless steel bin.
Saucepans and towels we have many,
corkscrews and flannels we don't need any.
We just want you with us to celebrate our day,
but if you insist on a gift anyway.
What we'd really like is a gift of money,
we hope you don't think we're being funny!
We'll put it all together and buy something that's best,
as a reminder of our day and our wonderful guests.

Poem 3

We are sending out this invitation,
and hope you will join our celebration.
If to send a gift is your intention,
in modesty we would like to mention.
We have already got a kettle and a toaster,
crockery, dinner mats and coasters.
So rather than something we have already got,
please give us money for our saving pot.
But, most importantly, we request,
that you turn up as our wedding guest!

Poem 4

To celebrate our wedding you may wish to buy us presents,
however this is not required, all we want is your presence.
If you insist, we must admit, some money would be great,
to help us do some home improvements at a later date.
If you still feel the need, to get us a small token,
we would appreciate vouchers for any shop that's open.
Regardless of which choice you make, all we would like to say,
is come along and have some fun, on this our special day.

Poem 5

We have most of the things we need,
like a kettle and two toasters,
We have two different crockery sets,
with dinner plates and coasters.
Pots and pans, knives and forks,
a chopping board for cheese,
If you would like to give us a gift,
we would like the money please!

Poem 6

More than just kisses so far we've shared,
our home has been made with love and care,
Most things we need we've already got,
and in our home we can't fit a lot!
A wishing well we thought would be great,
but only if you wish to participate,
A gift of money is placed in the well,
Then make a wish but shhh don't tell!
Once we've replaced the old with the new,
we can look back and say it was thanks to you!

Poem 7

If you were thinking of giving a gift,
to help us on our way.
A gift of cash towards our house,
would really make our day.
However, if you prefer to purchase a gift,
feel free to surprise us in your own way.

Poem 8

We've lived together for a while
with all our pots and pans,
And as we don't need homely gifts,
We've got another plan!
We know it's not traditional
But an awful lot more fun,
To have items on our wedding list
To help us catch some sun!
So if you'd like to give a gift
And send us on our way,
A donation to our honeymoon
Would really make our day!
Then while we're relaxing on the beach,
Or by the pool so blue,
We'll sit back and know that
This is truly thanks to you!
